OPERATIONAL / FINANCIAL REVIEW

Shristi is one of the leading construction and infrastructure development companies in India with a Pan-India presence. Shristi is operating in three main verticals, Infrastructure Construction, Infrastructure Development and Infrastructure Consultancy.

1. Infrastructure Construction

In the Infrastructure Construction vertical, your Company is focusing on executing power projects on EPC basis. Further, since investments in the transmission sector will increase with the increase of generation capacity over the next few years, your company has developed capacity and is well poised to utilize the opportunities available in the associated transmission and sub stations sector in a big way.

One of the notable achievements in the previous year has been the commissioning of the first power plant for the client which the Company took on EPC basis at Dishergarh, (West Bengal). Infrastructure construction projects in other sectors like Housing, Hospitality, SEZ etc. are also being executed satisfactorily.

2. Infrastructure Development

In the Infrastructure Development vertical, your Company continues to focus on developing green integrated townships, integrated industrial parks & logistic hubs. Your Company has launched a new Integrated Green Township in Guwahati, the Gateway of the North East, with a built up area in excess of 13.5 million sq. ft. It is spread across 250 acres of sprawling greenery and set against the backdrop of the magnificent Brahmaputra river and the majestic hills. It is going to be the first integrated township with world class living & leisure options in a fully gated community in the North East. The progress of work on various projects is satisfactory but a few projects are going slow due to uncertainty in regulatory environment. Shristi's one more Retail Mall of approximately 2.5 lacs square feet become fully operational at Asansol with many leading brands starting their operations during the year.

The business of infrastructure development division is poised for sustained growth and the outlook is bright. The Company is confident to achieve better quotient of customer's satisfaction and to achieve higher growth coupled with optimization of the resource utilization.

3. Infrastructure Consultancy

In the Infrastructure Consultancy vertical, Shristi provides consultancy services in the field of construction, development & allied activities. Its expertise lies in architectural space and it outsources part of the work to external agencies to provide full-fledged service to its clients. Shristi draws upon HUDCO's (its JV partner) immense technical knowledge related to Housing & Urban Infrastructure, City Planning, Tourism Development, Landscaping, Development of Heritage, Redevelopment of Walled Cities & other Environmental & Social Projects, for providing consultancy to its clientele. Recently, your Company has completed City Development plans for ten towns in Madhya Pradesh which involved studying & analyzing gaps & deficiencies in various utility & social sectors and designing projects to raise the overall urban standards and also a Pilot project for slum development in Haridwar under Rajiv Gandhi Awas Yojana of Gol which involved resettlement of 1400 families living in slums to various locations at Haridwar to a planned neighbourhood designed by Shristi. Presently, it is executing many projects including a prestigious project of Madhya Pradesh Forest Department involving Third Party Quality Assurance for building/renovating forest training institutes at four locations in the state which is being funded by Japan International Co-operation Agency.

The year under review continued to be challenging for the Company because of increased costs, challenging business environment and sluggish industry volumes. On standalone basis, your Company earned EBIDTA of ₹ 2274 lacs against previous year's figure of ₹ 2000 lacs and on consolidated basis your company has earned EBIDTA of ₹ 5287 lacs against last year's figure of ₹ 5125 lacs. Your Company has taken many measures to contain costs and has judiciously allocated its resources to improve its cashflows, which has resulted in better profitability on standalone basis.

DIVIDEND

In continued pursuit of distributing profits to shareholders, your Directors have recommended equity dividend of $\stackrel{?}{\sim} 0.25$ per share for the Financial Year 2012-13 (Financial Year 2011-12: $\stackrel{?}{\sim} 0.20$). The dividend, if approved at the 23rd Annual General Meeting by the members, will be paid to all those equity shareholders whose names appear in the register of

members as on September 14, 2013. The Dividend for the financial year 2012-13 shall be subject to tax on dividend to be paid by your Company but will be tax free in the hands of the shareholders.

INDUSTRY STRUCTURE AND DEVELOPMENTS, OPPORTUNITIES, THREATS AND OUTLOOK

Global Outlook

Global economic activity remains passive amidst signs of diverging growth paths across major economies. In the United States, a slow recovery is taking hold, driven by improvements in the housing sector and employment opportunities. However, the pace of recovery remains weak which will slowly gain pace in the months ahead.

In the Euro area, economy remains mired in recession, characterized by decline in industrial production, weak exports and low domestic demand. This makes the global environment in the coming years more uncertain and exporters might find it more challenging. A clear industrial policy with special emphasis on manufacturing competitiveness and infrastructure spending will be the key requirement of revival of demand in markets like UK.

The Emerging Market & Developing Economies, as a group saw a market decline in growth rates, from 6.4% in 2011 to 5.1% in 2012, with the major constituents viz. China, India, Brazil, Russia all recording significant deceleration.

According to the forecasts of the International Monetary Fund, the World GDP is expected to grow by 3.3% in 2013 with advanced economies growing by 1.2% and the emerging and developing economies growing by a much faster rate of 5.3%; while the Euro area continues to contract mildly by 0.3%.

Indian Scenario

India witnessed an economic slowdown with GDP growth of 5% in Financial Year 2012-13 - a 10 year low. The key issues for this downturn include the cumulative effect of high inflation levels in the economy which led to RBI adopting a tight monetary policy, lack of political consensus on policy reforms, a marked slowdown in the rate of capital formation and weak investor sentiments under the backdrop of a sluggish global economy as discussed earlier.

Better quality of physical infrastructure is a prerogative for the Indian economy to continue at the high rates established over the last decade. But infrastructure development in the last two years has been slow due to numerous challenges being faced by the sector. Some of the challenges are complex but cohesive solutions oriented approach by all concerned stakeholders can go a long way in helping the sector realize its immense potential.

The current state of the economy makes it necessary for the Government to put in place a robust and implementable plan of action for its revival. The economy has experienced a consistent fall in the quarterly GDP growth since 2011, alarmingly high levels of twin deficits viz. Current Account Deficit (CAD) and Fiscal Deficit as well as worrying volatility in the inflow of foreign investments. Though inflationary pressure has receded in the last quarter of 2012 but other worrying economic indicators has put the Indian economy in a challenging pathway on the short term. Further, sharp decline of Rupee against the US dollar is a major cause of concern as it can undermine the recent gains in inflation and also depress badly the much needed capital inflows. The Government has announced several regulatory reforms and policy measures including the setting up of Cabinet Committee on Investments to ensure expeditious clearance and implementation of big ticket infrastructure projects and it is expected that same would yield results.

As per RBI estimates, the Indian economy is expected to grow by 5.7% during 2013-14 representing only a modest improvement over the previous year.

Opportunities, Threats & Business Outlook

The demand of Infrastructure is greater than ever before, the Government of India has set an ambitious target for doubling investment in infrastructure from ₹ 20.5 trillion to ₹ 40.9 trillion during the Twelfth Plan (2012-17). The total investment in infrastructure is proposed to be increased to 10.5% of GDP by the end of the plan period. If even, three fourth of this planned investment is actually realized, it can propel India's economic growth back to a higher trajectory and with it, significantly improve the fortunes of the infrastructure construction and development sector.

While the management is confident of exploiting the opportunities, there are also challenges to be met in terms of economic environment, regulatory hurdles, escalating construction costs, sluggish demand for commercial space and non availability of skilled manpower at all levels. But your Company is confident of managing associated risk and difficult market conditions through well defined business processes,

risk management tools and a dedicated & experienced senior management team across all segments.

During 2013-14, economic activity is expected to show a modest improvement over last year, with a pick-up likely only in the second half of the year.

The outlook remains subdued, with the pipeline of new investment drying up and existing projects stalled by bottlenecks and implementations gaps, increased cost of funds, difficulty in land acquisition etc. With the global growth unlikely to improve significantly from 2012, growth in services, exports, infrastructure development may remain sluggish for quite some time. It is critical to consolidate and build upon the recent gains in controlling inflation. Sustained revival of growth is not possible without a revival of investment. But investment sentiment remains inhibited owing to subdued business confidence and dented business profitability. However, the slowdown in the Indian economy has not altered the belief in the long term potential of the economy. Domestic Consumption remains one of the key growth engines of the Indian economy. With the large and growing population, significant additions to the working age population over the medium to long term, rising disposable incomes including in rural areas and the Government's increasing spends on the social sector to foster inclusive growth - the structural drivers for rapid growth in consumption are in place.

Shristi is in a phase of consolidation and is focused on optimizing its strategy and operations to overcome the present economic and financial challenges to emerge as an even stronger entity that can best leverage opportunities once the external environment regains its growth oriented trajectory.

Independent Auditors' Report

To The Members of Shristi Infrastructure Development Corporation Limited

1. Report on the Financial Statements

We have audited the accompanying financial statements of Shristi Infrastructure Development Corporation Limited, which comprise the Balance Sheet as at 31st March, 2013 and the Statement of Profit & Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements.

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, the said accounts read with other notes thereon, give the information required by the Act in the manner so required and also give a true and fair view in conformity with the accounting principles generally accepted in India:-

- (a) In the case of the Balance Sheet, of the state of affairs of the company as at 31st March, 2013;
- (b) In the case of Statement of Profit & Loss, of the Profit for the year ended on that date; and
- (c) In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

5. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms sub-section 4A of Section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- ii) As required by Section 227(3) of the Act, we report that:

Annual Report 2012-13

a) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;

b) In our opinion, proper books of account as required by the law have been kept by the company as far as appears from our examination of those books.

c) The Balance Sheet, Statement of Profit & Loss, and Cash Flow Statement dealt with by this report are in agreement with the books of account.

d) In our opinion, the Balance Sheet, Statement of Profit & Loss, and Cash Flow Statement dealt with by this report comply with the requirements of the Accounting Standards referred to in Sub-section (3C) of Section 211 of the Companies Act, 1956.

e) On the basis of written representations received from the directors as on 31st March, 2013 and taken on record by the Board of Directors, we report that none of the Directors are disqualified as on 31st March, 2013 from being appointed as a Director in terms of Clause (g) of Sub-section (1) of Section 274 of the Companies Act, 1956.

f) Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

Annexure to the Auditors' Report

The Annexure referred to in paragraph 1 of the Our Report of even date to the Members of Shristi Infrastructure Development Corporation Limited, on the accounts of the company for the year ended 31st March, 2013.

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- (a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
 - (b) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification.
 - (c) In our opinion and according to the information and explanations given to us, no fixed asset has been disposed during the year and therefore does not affect the going concern assumption.
- 2. (a) As explained to us, inventories have been physically verified during the year by the management at reasonable intervals.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - (c) In our opinion and on the basis of our examination of the records, the Company is generally maintaining proper records of its inventories. No material discrepancy was noticed on physical verification of stocks by the management as compared to book records.
- 3. (a) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register maintained under Section 301 of the Companies Act, 1956. Consequently, the provisions of clauses 3(b), 3(c) and 3(d) of the order are not applicable to the Company.
 - (e) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not taken loans from companies, firms or other parties listed in the register maintained under Section 301 of the Companies Act, 1956. Thus sub clauses (f) & (g) are not applicable to the company.
- 4. In our opinion and according to the information and explanations given to us, there is generally an adequate internal control procedure commensurate with the size of the company and the nature of its business, for the purchase of inventories & fixed assets and payment for expenses & for sale of goods. During the course of our audit, no major instance of continuing failure to correct any weaknesses in the internal controls has been noticed.
- 5. a) Based on the audit procedures applied by us and according to the information and explanations provided by the management, the particulars of contracts or arrangements referred to in section 301 of the Act have been entered in the register required to be maintained under that section.
 - b) As per information & explanations given to us and in our opinion, the transaction entered into by the company with parties covered u/s 301 of the Act does not exceed five lacs rupees in a financial year therefore requirement of reasonableness of transactions does not arise.
- 6. The Company has not accepted any deposits from the public covered under section 58A and 58AA of the Companies Act, 1956.
- 7. As per information & explanations given by the management, the Company has an internal audit system commensurate with its size and the nature of its business.
- 8. As per information & explanation given by the management, maintenance of cost records has been prescribed by the Central Government under clause (d) of sub-section (1) of section 209 of the Act and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.

- 9. (a) According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, cess to the extent applicable and any other statutory dues have generally been regularly deposited with the appropriate authorities. e. **Depreciation:**

Depreciation on fixed assets is provided under Written down Value method at rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956.

f. Impairment of Assets:

At each Balance Sheet date, the Company assesses whether there is any indication that assets may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the assets exceeds its recoverable amount, an impairment loss is recognized in the accounts to the extent the carrying amount exceeds the recoverable amount. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

g. Revenue Recognition:

Contract receipts are recognized under percentage completion method in respect of work contract business. Interest revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Claims are accounted for on acceptance by client or evidence of such acceptance.

h. Retirement Benefits:

- a) Gratuity liability and Compensated leave encashment to employees is accounted for on the basis of actuarial valuation using Projected Unit Credit Method.
- b) Company's Contributions to Provident are charged to Profit & Loss account in the year when the contributions to the respective funds are due.

i. Inventories:

Raw Materials are valued at weighted average cost and Work-in-Progress is valued at lower of cost and estimated net realizable value.

i. Borrowing Cost:

Borrowing Costs that are attributable to the acquisition and construction of qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as expense in the year of the expense.

k. Taxation:

- (a) Current Tax is provided on accessible income as per Income Tax Act 1961, in accordance with the tax Regulation as applicable to the company.
- (b) Deferred tax Deferred tax charge or credit reflect the tax effect, of the timing differences between accounting income and taxable income for the period which are capable of being reversed in future. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax are recognized only to the extent there is reasonable certainty that the assets can be realized in future.

I. Contingent liability:

Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclose as per note no 24. The company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made off the amount of the obligation. Contingent liabilities are not recognized but are disclosed in the notes to the financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

m. Prudential Norms:

The Company has followed the prudential norms issued by Reserve Bank of India, as applicable, and revenue / assets have been represented (considering adjustments / write-off / net-off, as applicable) keeping in line therewith and management prudence.

Face Value per Equity Share (₹)	10	10

The basic Earnings Per Share ('EPS') is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at/fair value (i.e. the average market value of the outstanding shares).

In computing dilutive earnings per share, only potential equity shares that are dilutive and that reduce profit/loss per share are included.

Independent Auditors' Report

To The Board of Directors of Shristi Infrastructure Development Corporation Limited

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Shristi Infrastructure Development Corporation Limited ("the Company") and its subsidiaries (collectively referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2013 and the Consolidated Statement of Profit & Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of the reports of the other auditors on the financial statements/ consolidated financial statements of the subsidiaries and associates as noted below, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:-

- (a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at 31st March, 2013;
- (b) In the case of Consolidated Statement of Profit & Loss, of the profit of the Group for the year ended on that date; and
- (c) In the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Annual Report 2012-13

5. Other Matters

We did not audit the Financial Statements/ Consolidated Financial Statements of certain Subsidiaries which reflect total assets (net) of ₹ 30,704.77 lacs as at March 31st, 2013, total revenue (net) of ₹ 3,610.49 lacs, and net cash flows, amounting to ₹ 2,127.77 lacs for the year then ended. These Financial Statements/Consolidated Financial Statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on reports of the other auditors.

We did not audit the Financial Statements of Joint Ventures which the Company's share of net assets as on March 31, 2013, works out to ₹ 7,434.96 lacs, share of revenue (net) of ₹ 891.94 lacs, and net cash flows amounting to ₹ 1,561.53 lacs for the year then ended. These Financial Statements have been audited by other auditors whose reports have been furnished to us and our opinion is based solely on reports of the other auditors except in respect of Bengal Shristi Infrastructure Development Limited, Shristi Hotel Private Limited and TSCCF Shristi Infrastructure Development Limited whose Accounts are yet to be adopted by the their Board of Directors and their net assets include ₹ 7,351.18 lacs and share of revenue is ₹ 763.19 lacs.

Our opinion is not qualified in respect of other matters.
